## **Instructions for Entering W-4 Tax Allowances via At Your Service Online**

The page in HRMS 8.3 that departmental administrators currently use to input employee income tax withholding allowances will not be available in HCM 9.0.

This functionality was removed because:

- the data could not remain synchronized with PPS due to tax treaty updates made to PPS but not HRMS
- the functionality is not delivered with HCM 9.0 and would require extensive customization
- routine errors were introduced in HRMS due to the complexity of international taxes

For most employees there is little impact from this change because they can make their withholding allowances themselves through UCOP's online W-4. Detailed instructions for entering withholding allowances can be found at the end of this document.

### **Special Considerations**

#### **Non-resident and resident aliens (e.g., H-1B, J-1, F-1 visa holders):**

Non-resident and resident aliens are not able to access At Your Service Online and will need to complete the UC W-4NR form, which can be found at <http://www.ucop.edu/ucophome/cao/paycoord/w4nr.pdf>, and fax it to Human Resources (HR) Records Management at 510-642-1882.

#### **Out-of-State Exemptions**

For Out-of-State Exemptions (employees who pay state taxes other than California's), the process remains the same: employees must complete form UPAY 830, which can be found at <http://www.ucop.edu/ucophome/cao/paycoord/upay830.pdf>, and sent to the Payroll Office (fax number: 510-643-9339) for manual processing.

**Note:** Employees who file UPAY 830 Out-of-State Exemptions cannot access At Your Service Online to initiate changes to their Federal withholding or additional withholding. This group will need to complete the UC W-4, which can be found at <http://www.ucop.edu/ucophome/cao/paycoord/ucw4-de4.pdf> and fax it to Human Resources (HR) Records Management at 510-642-1882.

#### **Employees without computer access**

Employees who do not have computer access or who need computer assistance should work with their department's HR representative(s) for assistance with At Your Service Online.

### Timelines for Making Withholding Allowances

The default withholding allowance for all new hires is: Single, 0.

1. Employees hired up to 2 days before their pay cycle deadline must use At Your Service Online (AYSO -- <https://atyourserviceonline.ucop.edu/ayso/>) to make changes to their withholding allowances in time for their primary pay date. AYSO transactions for a specific day should be made between 3:00 a.m. and 3:00 p.m. Instructions for AYSO can be found in this document.
2. Employees hired one day prior to their pay cycle deadline must fax their paper UC W-4 form or the UC W-4NR form to HR Records Management at 642-1882 no later than 3:00 p.m. that day. Note: forms should be faxed as soon as possible rather than waiting for the final deadline.
3. Employees hired on their pay cycle deadline will default to withholding Single 0.
4. During heavy hiring periods (e.g., fall hiring), departments should be proactive to make sure their new hires are entered into the system in a timely manner.

**Instructions**

**Social Security Number:** XXX-XX-XXXX

In order to claim exemption from Federal and State tax withholding, you need to meet BOTH of the following conditions for exemption:

1. Last year you had a right to a refund of ALL Federal income tax withheld because you had NO tax liability.
2. This year you expect a refund of ALL income tax withheld because you expect to have NO tax liability.

If you are eligible to claim exemption for the following tax year, you must renew as soon as possible after January 1 of that year. Otherwise, the exemption will automatically expire in early February of that year. Please check with your Payroll office for your campus renewal deadline.

If you cannot claim exemption from BOTH Federal and State tax withholding, you need to contact your Payroll office to file your UC W-4/DE 4 form.
