Notes

Each person is counted only once, regardless of whether they hold multiple jobs/positions in one or more departments. This census only counts those who had active jobs or were on leave on the snapshot date. A primary appointment algorithm is used to determine which job/job type to count each person in if they have more than one job.

‡ Tenured faculty who also hold administrative titles (e.g. chancellor, vice chancellors, deans) are counted in E-Staff.
 * C-Other Academic includes 1164 University Extension & Cooperative Extension teachers, coordinators, and specialists

Affiliates Non-Employees are individuals who have a role recognized by the campus that does not include an appointment, pay, or student status. For more information on Affiliates Non-Employees, see <<http://hrweb.berkeley.edu/hrms/enternonemployees.htm>>.

No employees are expected to appear in cells that are blacked out.
